

RENALDI ANICETUS SIMBOLON

Front End Developer & UI/UX Designer

Bintan, Indonesia | +6281275791162 | renaldisimbolon@gmail.com | linkedin.com/in/renaldias

SUMMARY

Front-End Developer and UI/UX Designer with a strong foundation in Machine Learning. Proven track record in building robust user experiences, from designing empathetic frontend interfaces to implementing analytical models using Python. Expert in applying data-driven methodologies, including predictive modeling and time-series forecasting, to deliver user-centric software. Passionate about leveraging machine learning features to create modern, high-performance applications.

EDUCATION

Informatics Engineering, Raja Ali Haji Maritime University | Tanjungpinang, Indonesia

Bachelor of Engineering (Sep 2022 - Sep 2026)

- **GPA** (3.52/4.00)

- **Relevant Courses:** Machine Learning, Data Structures & Algorithms, Object-Oriented Programming, Software Project Management, Web Programming.

- **Thesis Title:** Forecasting Domestic Passenger Volume at Sri Bintan Pura Port Using the SARIMAX and XGBoost Methods.

PROFESSIONAL EXPERIENCE

Distrik Navigasi Tipe A Kelas 1 Tanjungpinang | Tanjungpinang, Indonesia

Intern Web Developer (Juli 2025 – September 2025)

- Designed an intuitive user interface (UI) and user experience (UX) for a web-based warehouse stock management application from scratch, utilizing Figma
- Developed the application's front-end architecture and core functionality, integrating Front-End HTML dan Tailwind with PHP and MySQL for robust inventory data processing.
- Developed a dynamic, user-friendly dashboard using Chart.js to visualize historical data of stock inflows and outflows, enhancing overall inventory tracking capabilities.

ORGANIZATIONAL EXPERIENCE

Himpunan Mahasiswa Teknik Informatika (HMTI) | Tanjungpinang, Indonesia

Members of the Entrepreneurship Division (Feb 2024 – Dec 2024)

- Organized and executed a technology entrepreneurship seminar in collaboration with the student association board
- Actively promoted and marketed the association's entrepreneurial products across various campus events to drive engagement and sales

RESEARCH AND PROJECTS

Predicting Passenger Volume with SARIMAX and XGBoost | Tanjungpinang, Indonesia

Fullstack Developer & ML Engineer (March 2026 - Jul 2026)

- Extracted and preprocessed historical data of domestic maritime passengers at Sri Bintan Pura Port to identify seasonal trends and operational patterns.
- Evaluated and compared the predictive performance of a statistical time-series model (SARIMAX) against a robust machine learning algorithm (XGBoost) for domestic passenger forecasting.

Landing Page for Sea Cucumber SM (Jan 2026 – Feb 2026)

UI/UX Designers and Front End Developer | Community Service Program (KKN)

- Designed and developed a responsive MSME landing page by creating UI/UX prototypes in Figma and translating them into code using HTML, CSS, JavaScript, and Bootstrap CSS.

Inventory & Warehouse Management Web Application (Aug 2025)

Web Developer | Intern

- Designed the user interface and data layouts to ensure inventory information is easily readable for warehouse staff.
- Developed the front-end structure and integrated it with native PHP back-end logic to handle core CRUD operations efficiently.

HONORS, AWARDS & SKILLS

- **Certifications:** Data Visualization Basics (2025), Prompt Engineering for Software Developers (2025), Project Management Basics (2025), Basic Structured Query Language (SQL) (2025), Introduction Data Science With Python (2022).
- **Technical Skills:**
 - **Frontend Development & UI/UX Design:** React.js, JavaScript, HTML, CSS, Bootstrap, Tailwind, Figma, Canva, Streamlit.
 - **Backend Development & Architecture:** Laravel, PHP, MySQL, MVC, Clean Architecture, Flask.
 - **Machine Learning & Data :** Python, Pandas, Numpy, Matplotlib, statsmodels,
 - **Others & Tools :** Microsoft Office, Git, GitHub, Figma
- **Interpersonal Skills:** Problem Solving, Cross-functional Collaboration, Technical Communication, Teamwork, Adaptability and Resilience.
- **Languages:** Intermediate in English, Native in Indonesian.
